Exam #3:	April 14

Help: Your instructor will go over selected homework problems during class. In addition, your instructor will regularly arrive several minutes before class and will stay after class to answer questions from students. He is also available during his office hours, or by appointment, or any time via email. Students are encouraged to take advantage of the help offered in the Calculus Clinic and the Math Clinic, located on the first floor of Carnegie. The hours are posted outside 215 Carnegie and <http://math.syr.edu/Help.htm>.

Homework: There will be both on-line and written homework in this course. Due dates for the on-line portion are posted on-line. Some of the written problems will be collected at the beginning of recitation on Thursday; this homework will be announced in class the Friday before and will be graded. It is *essential* to do all the homework assignments in a timely fashion. Late homework will **NOT** be accepted.

Quizzes: A short quiz will be given each week during recitation. Quizzes may be given during lecture as well. Two lowest quiz grades will be dropped. There will be **NO** make-up quizzes.
