

MAT 397 Section 2 Syllabus Supplement Fall 2017

Professor: Claudia Miller, Carnegie 300A (phone 443-1493)

Email: clamille@syr.edu

Web Page: <http://clamille.mysite.syr.edu/296.html>

Office Hours: Tue/Thu 3:00–4:30 pm

Other Resources:

TA office hours (Paula Truoel, pgtruoel@syr.edu, Mon/Wed 1-2 pm in 221 Smith Hall)

Pooled office hours for all 397 instructors (posted on my web page)

Calculus Help Center (see <http://math.syr.edu> for hours)

IMPORTANT

- **Print two things:**

1. General MAT 397 syllabus (from <http://math.syr.edu>)
2. My approximate lecture, quiz, and exam schedule (from my web page)

- **Keep two notebooks or binders:**

One for lecture notes and one for doing problems.

Do not work your online problems on random scraps of paper! Else chaos ensues.

- **Online homework is at WebAssign:**

1. After the due date, you can see the solutions there!!
2. Before the due date, there are help links.

- **Written homework:** is listed in syllabus, due on Tuesdays at start of class.

- **Recitation:** is every week. It involves active group work and a quiz at the end.

- **Quiz:** Each quiz is on the 2 previous lectures, unless otherwise announced.

- **HW/Quiz grades:** The 15% will be allocated as follows: 5% quizzes, 5% online homework, 5% written homework. There will be no make-up quizzes or homework extensions, but your 2 lowest quiz scores and a bit of homework will be dropped.

- **Exams dates:**

Exam 1 – Wed Sept 20

Exam 2 – Wed Oct 18

Exam 3 – Wed Nov 15

WEBASSIGN INSTRUCTIONS

1. Go to WebAssign at: www.webassign.net and see links at upper right corner of page.
2. Enter the **Class Key:** syr 5353 3962 (This is the key for Section 2 only.)
3. Enter your access code (bundled with the textbook or purchased online at WebAssign)

Note: WebAssign has a 2-week free trial period. So (1) you can start your homework right away without cost and pay sometimes in the first 2 weeks and (2) if you are not yet sure if you will stay in this class, you may wait to purchase a license.
